Best Method:

We recommend taking the Dreamhire Shuttle, also known as the **N** or **Q** train, to the **36th Avenue** station, located at 36th Ave. and 31st St., two and half blocks from our building. This will take 20 – 30 minutes from Midtown Manhattan. Exit the turnstiles and descend down the stairs on the left to the street. Bypassing the Dunkin' Donuts, turn right on 36th Ave. and proceed past 32nd St. to 33rd St. and turn right. The entrance to Dreamhire is 1/4 of the way down the block at the North end of the building. (Do not use the entrance with the black awning in the middle of the building).

2nd Best Method:

Take the alternate Dreamhire Shuttle, also known as the **R** train, to the **36th St.** station. Notice that the location of this station bears a strange resemblance to the N and Q station described above. Do not be concerned as these are two different subway stations. Exit the station to the rear and come up to ground level at Northern Blvd. and 33rd St. Cross Northern Blvd. (carefully!) and proceed on 33rd St. three blocks to our entrance at the North end of the building towards 36th Ave. (Do not use the entrance with the black awning in the middle of the building).

By Car from the Northwest (Northern New Jersey, Westchester, Rockland, Bronx):

RFK/Triboro Bridge to Queens, take the first exit to the right onto 31st St. (under elevated subway tracks). Turn left on 37th Ave. and proceed two blocks to 33rd St. Turn left onto 33rd St. and proceed to the far North end of the building where we have our own separate entrance. Parking meters out front or call us to check if our loading bay is available.

By Car from Long Island:

Grand Central Parkway to 31st St.-Hoyt Avenue exit (last exit before RFK/Triboro Bridge). Make a left on 31st St. and follow directions above.

By Car from Midtown Manhattan:

59th St. Bridge lower roadway left side. Follow signs for Northern Blvd./25A. Make a left at the third light onto 33rd St., go through two stop signs and proceed to the far North end of the building where we have our own separate entrance. Parking meters out front or call us to check if our loading bay is available.

By Car from Downtown Manhattan:

Enter Midtown Tunnel and take right-most tunnel tube. After tollbooths take IMMEDIATE right Borden Ave. exit. Make a right turn and another right turn onto Vernon Blvd. Proceed to next traffic light and make a right turn on Jackson Ave. This becomes Northern Blvd. after crossing Queens Blvd. Follow directions above.

Tip!! Use Astoria or Queens as the town name instead of LIC when inputting our address into your GPS.
